Dr. Lindsey Tijerina MD, Rice Medical Center and Rice Medical Associates are pleased to announce the addition of Dr. Lindsey Tijerina at our Eagle Lake clinic.

Dr. Tijerina completed her medical degree at the University of Texas at Houston. She has been a primary care physician for the past six years at The Family Clinic in Wharton.

Before opening her own practice, Dr. Tijerina worked as a nocturnist with

Dr. Tijerina is board-certified by the American Board of Family Medicine; she is a member with the American Academy of Family Physician, American Medical Association, Texas Medical Association, and Harris County Medical Society.

On the personal side, Dr. Tijerina was born and raised in Seymour, Texas. She and her husband, Nathan, have been together 21 years. They have two children, Lila (7) and Newt (5); you may have seen her kiddos showing their animals at the Colorado County Fair.
